ABOUT US

Mario Zolofra of Prestige Custom Builders along with his team of trade professionals and craftsman have raised the bar to deliver projects of a higher standard throughout NJ. With years of expertise in the industry, Mario provides comprehensive services and personally oversees all projects to ensure high quality form and finish while keeping within budgetary and time constraints.

Prestige Custom Builders has the personnel
to get the job done.

Our services start well before construction. Whether building new or remodeling, we take the time to understand needs of our clients. We provide a tailored plan that combines form and function while maintaining budgetary constraints. A turnkey approach from inception to completion to build a space for you to live in and enjoy.

TESTIMONIALS

Prestige Custom Builders did an amazing job building our dream home. Mario Zolofra made our building process stress free, enjoyable and we had nothing to worry about. The attention and eye to detail was outstanding. Every decision large or small was super easy. We highly recommend Prestige Custom Builders.

Gary and Joanne, Middletown, NJ

It has been real pleasure working with Mario Zolofra in the construction of our new home in Millstone. We are very pleased with the end product.

Mike and Joyce, Millstone, NJ

Mario and his team were great as they put our house back together by completing a major expansion project we had started with another builder who turned out to be a complete nightmare! Thanks to Mario, our home turned out better than we ever envisioned. I would highly recommend Prestige Custom Builders.

Pam and Bern, Holmdel, NJ
